The screenshot shows the Dayton Superior website interface. The main heading is 'SB - SLAB BOLSTER' under 'Accessories'. Below this, there is a description: 'Dayton Superior manufactures a complete line of rebar and/or mesh supports. All Dayton Superior rebar supports are manufactured to the recommendations or specifications of the Concrete Reinforcing Steel Institute (CRSI)'. There is a '+ Add To My List' button. Below the description is a table with columns 'FEATURES/DETAILS', 'USE', and 'PRICING INFORMATION/UNIT SIZES'. The table lists four product codes with their respective packaging:

Product Code	Packaging	
70100	PLAIN (CLASS 3) 3/4" X 5'	+ Add To My List
70200	PLAIN (CLASS 3) 1" X 5'	+ Add To My List
